

Rogers Area Youth Baseball Sponsorship Program

Dear Community Partner:

The Rogers Area Youth Baseball Association consists of a group of volunteers and sponsors that provide our area with the opportunity to play and learn America's favorite past time, "Baseball". As a non-profit 501 c-3 organization we are dependent on contributions from organizations like yours. Spring is right around the corner, and we need your help to provide the quality program that our community deserves.

We have identified needs and set objectives for this season and beyond. As the area of Rogers and the surrounding communities continue to expand, we have a concern of being able to have the amount of playing fields needed to accommodate the number of children in our program. As an organization, we have put numerous monies into the existing fields in the past years to maintain them; but are slowly running out of options for our expansion of the program which continues to see increases in player participation year after year.

We are here to provide a quality, affordable baseball program for our youth. "We deny no child the opportunity to play". The following types of sponsorships are available:

Team Sponsorships: A \$275 donation for one team, (two or more teams will be \$250 per team). A team will wear uniforms with your company name and you will receive a team photo framed for you in recognition of your support. If you have a specific team that you would like to sponsor, indicate this to us on the form.

Hardship Scholarships: Any donation given to this fund goes directly to kids who would otherwise not participate due to financial restrictions. This allows us to provide for all kids in the community. We have received strong support in the past fulfilling this need in our community.

Website Advertising: A \$100 fee gets your company logo/website link on our site at www.rogersyouthbaseball.org Our website is viewed by a potentially large audience of baseball families on a daily and weekly basis.

Our ability to make this program work is dependent on the support that we receive from our generous sponsors. Every year your support is helping 1000+ local children enjoy and compete in baseball. We respectfully ask for your response by Feb. 28, 2012. If you have any questions please feel free to contact Leon Lubke, chairman of the Rogers Area Youth Baseball Sponsorship Committee, at 763-428-8045.

The Rogers Area Youth Baseball Association thanks you for your support and consideration.
